H. TOWN MANAGERS' COMMENTS

I. COUNCILMEMBERS' COMMENTS

J. ADJOURNMENT

May 19, 2022

To: The Honorable Mayor and Town Council
 From: Jeff Kulaga, Town Manager / Clerk
 RE: **May 26, 2022, Town Council Regular Meeting Information Report**

The purpose of this report is to provide brief information regarding each agenda item.

Agenda Items:

D1. MAY 12, 2022, REGULAR COUNCIL MEETING MINUTES (PAGES 6 – 9)

F. GUADALUPE GRADUATION SUNDAY PROCLAMATION (PAGE 10)

G1. PUBLIC HEARING – LIQUOR LICENSE APPLICATION (PAGES 11 – 15): This is a public hearing for a Series #12 Restaurant Liquor License. On April 26, 2022, a Series 12 Restaurant Liquor License application was filed with the Arizona Department of Liquor Licenses and Control (AZDOL) (Liquor License #196285), for Mariscos San Diego Bay, 9201 South Avenida del Yaqui, Suite #11, Guadalupe, AZ 85283. The Applicant is Cristina Fragoso Vera. Per State Statute, the premises has been posted with a public hearing notice for 20 days; the notice of public hearing has been advertised in the newspaper; and, the application has been processed within the 60-day timeframe, as required by Arizona State Statute. The applicant is currently operating with an interim Series 12 Restaurant liquor license and has paid the liquor license application and issuance fees. This location has had a series 12 liquor license for the last 30 years under previous ownership. No protests have been received on this application. *(related to item G2)*

G2. SERIES #12 RESTAURANT LIQUOR LICENSE APPLICATION – MARISCOS SAN DIEGO BAY (PAGES 11 – 15): Council may forward a recommendation of approval, disapproval, or no recommendation, to the Arizona Department of Liquor Licenses and Control for State Liquor License No. 196285, for Mariscos San Diego Bay, 9201 South Avenida del Yaqui, Suite #11, Guadalupe, AZ 85283. The Applicant is Cristina Fragoso Vera.

Per AZDOL, this non-transferable, on-sale retail privileges liquor license allows the holder of a restaurant license to sell and serve spirituous liquor solely for consumption on the premises of an establishment which derives at least forty percent (40%) of its gross revenue from the sale of food. Failure to meet the 40% food requirement shall result in revocation of the license.

ADDITIONAL RIGHTS AND RESPONSIBILITIES:

A restaurant license applicant must submit a copy of its restaurant menu and Restaurant Operation Plan with the application. The Plan must include listings of all restaurant equipment and service items, the restaurant seating capacity, and other information requested by the department to substantiate that the restaurant will operate in compliance with Title 4. The licensee must notify the Department, in advance, of any proposed changes in the seating capacity of the restaurant or dimensions of a restaurant facility.

Applicants, licensees, and managers are required to take a Title 4 training course (liquor handling, laws and regulations) at least 45 days prior to the issuance of their liquor license.

The licensee is required to keep an Employee Log which identifies persons employed at the premises including each employee's name, date of birth, address and responsibilities.

A pregnancy warning sign for pregnant women consuming spirituous liquor must be posted within twenty (20) feet of the cash register or at the point of purchase.

After one year of operation as a liquor-licensed establishment has been completed, the licensee will be required to complete the Business Data Report prior to renewal. This report verifies that the restaurant has received at least forty percent (40%) of its gross revenue from the sale of food. When the restaurant sells liquor until 2:00 a.m., all menu items must be made available to patrons until at least 10:00 p.m. daily.

A licensee acting as a retail agent, authorized to purchase and accept delivery of spirituous liquor by other licensees, must complete a Certificate of Registration form. Bar, beer and wine bar, and restaurant licensees must pay annual surcharges of \$85. The money collected from these licensees will be used by the Department for an auditor to review compliance by restaurants with the restaurant licensing provisions of ARS 4-205.02; enforcement programs, and neighborhood association liaison.

RELATED ARIZONA STATUTES AND REGULATIONS: A.R.S. §4-119, 4.201, 4-202, 4-203, 4-205.02, 4-205.06, 4-209(B)(12), 4-209(D)(12), 4-209(J)(K)(L), 4-213, 4-222, 4-261; Rule R19-1-208; R19-1-310; R19-1-235.

Staff recommends approval of this liquor license application. *(related to item G1)*

G3. APPROVAL OF CONTRACT – CALLE VAOU NAWI SIDEWALK CONSTRUCTION (PAGES 16 – 20): This is a contract (C2022-24) to Sunland Asphalt in the amount not to exceed \$178,994.94. The purpose of the contract is for Sunland Asphalt to construct approximately 426 feet of a concrete sidewalk on the east side of Calle Vaou Nawi immediately south of Guadalupe Road. This 426-foot segment of Calle Vaou Nawi is presently unimproved lacking sidewalk, curb and gutter. Construction of a sidewalk will improve pedestrian safety and better define the east edge of pavement. The contract includes demolition, surveying, grading, utility coordination, installation of concrete curb, gutter and sidewalk and asphalt.

The Town utilized its membership in the Mohave Cooperative, a public purchasing cooperative established in 1971, that regulates bid costs based on current market pricing, tracks pricing, and establishes fair and reasonable pricing for state and local public projects. The Town is one of 482 cooperative members. By utilizing the Cooperative, a bid process was necessary. Funding for this contract is available through the adopted Fiscal Year 2022 General Fund Budget Capital Outlay cost center.

Should the contract be awarded, the Notice to Proceed for Sunland Asphalt will be June 27, 2022.

G4. FISCAL YEAR 2022-2023 TENTATIVE BUDGET ADOPTION (PAGES 21 – 120): The tentative Town of Guadalupe FY 2022/2023 (FY 23) budget totaling \$16,157,499 is presented for Council consideration and is recommended for Council adoption. Additionally, June 23, 2022, at 6:00 P.M. is recommended for the date and time of the public hearing for adoption of the final FY 2022/2023 budget. The proposed tentative FY 23 budget summary, five-year forecast, PowerPoint presentation, and line-item budget that identifies all Town revenues and expenditures are attached. This budget was presented at the April 28, 2022, Regular Town Council meeting.

The FY 23 tentative budget totals \$16,157,499 which includes funding for a general fund budget of \$6,391,021; \$2,807,292 for enterprise and special funds; \$314,537 for municipal bond debt service; \$2,334,101 for COVID-19 recovery and a \$4,310,548 grant fund. The budget incorporates the economic impacts of COVID-19 to Town revenues and expenditures, including American Rescue Plan Act of 2021 COVID-19 relief funds received by the Town. The development of the FY 23 tentative budget included a review of all revenue sources and expenditure line items in the budget by examining the current FY 22 approved budget, the FY 20 and FY 21 expenditures, the year-to-date revenues

and expenditures through April 2022, and the projected revenue and expenditures for the remaining three months of FY 22. The proposed FY 23 tentative budget line-item amount increases or decreases were established based on this review.

The proposed FY 23 tentative budget report, five-year forecast, line-item budget and PowerPoint presentations from the April 28, 2022 and May 26, 2022 Town Council meetings that identify all Town funds, cost centers, revenues, expenditures and individual budget line items are attached for review.

While the General Fund balance is forecasted to reach \$5.0M at the end of FY 22, the underlying budget message remains the same as previous years:

- Annual Town expenditures are forecasted to exceed revenues received.
- Continued use of General fund balance and individual fund reserves is not financially sustainable.
- Use of fund balances does not establish a sustainable fiscal future where current levels of Town services can be maintained.
- Economic investment where sustainable, are needed to ensure recurring revenue streams.

1. Councilmembers approved the April 28, 2022, Town Council Regular Meeting Minutes.

E. CALL TO THE PUBLIC

No one spoke. Mayor Molina announced that Town Hall is open and that the public is welcome to address the Council in person or via e-mail.

F. MAYOR and COUNCIL PRESENTATIONS – None.

G. DISCUSSION AND POSSIBLE ACTION ITEMS

1. SPECIAL EVENT LIQUOR LICENSE REQUEST

Mayor Molina stated that this item is for Council to consider forwarding a recommendation of approval, denial, or no recommendation to the Arizona Department of Liquor Licenses and Control for a Special Event Liquor License. The Applicant is Ralph A. Cota on behalf of the Conrado F. Bilducia American Legion Post 124 Guadalupe Veterans, a non-profit organization. The event location is the patio of the Mercado de Guadalupe, 9201 South Avenida del Yaqui, Guadalupe, AZ. The proposed event will be held on Saturday, May 21, 7:00 PM – 11:00 PM. Maricopa County Sheriff's Office personnel will provide event security and the Post will provide age identification verification for alcohol consumption.

Jeff Kulaga, Town Manager / Clerk, stated that this agenda item is a request by the American Legion Post (Post) to host a fundraiser event. It is anticipated that there will be 150 people attending this event. The Post has filed the proper application and has met the Mercado facility rental requirements.

Motion by Councilmember Bravo to approve item G1; second by Vice Mayor Vital. Motion passed unanimously on a voice vote 5-0.

Councilmembers voted to forward a recommendation of approval to the Arizona Department of Liquor Licenses and Control for a Special Event Liquor License. The Applicant is Ralph A. Cota on behalf of the Conrado F. Bilducia American Legion Post 124 Guadalupe Veterans, a non-profit organization. The event location is the patio of the Mercado de Guadalupe, 9201 South Avenida del Yaqui, Guadalupe, AZ. The proposed event will be held on Saturday, May 21, 7:00 PM – 11:00 PM. Maricopa County Sheriff's Office personnel will provide event security and the Post will provide age identification verification for alcohol consumption.

2. CAPITAL PROJECT STATUS REPORT

Mayor Molina called upon Jeff Kulaga, Town Manager / Clerk, to provide a status report of current capital projects including estimated construction costs, schedules, and funding sources. There are 15 active, funded, projects totaling an estimated \$10,166,662 where the Town's contribution is \$1,053,564 (10%) and recently submitted capital project grant requests total an estimated \$2,745,449. Mr. Kulaga reviewed each of the projects and discussed their status and funding source.

Councilmember Osuna joined the meeting.

Mr. Kulaga noted that a majority of funding is from the federal government. For every dollar the Town spends on active projects, \$9 in grant funding is received. This is a cost-effective use of limited Town resources and leveraging opportunities.

Staff recently submitted two additional grant requests from the federal government totaling approximately \$2.7 million for the street light renovation and the sewer system renovation projects. Staff is also in the process of submitting \$963,000 in tribal gaming grant requests. Over the past 4 years, the Town has been awarded approximately 30% of its requested gaming grant requests.

3. AWARD OF CONTRACT – WALKER LAWNMOWER

Mayor Molina stated that this item is for Council to consider awarding a contract to Tempe Power Equipment LLC for the purchase of a commercial grade 42" walker lawn mower for use by the Public Works Department in the amount of \$17,289. The existing walker mower has exceeded its serviceable life expectancy and requires on-going repair. Funding for replacing the walker mower is through a shared revenue grant from Gila River Indian Community. Staff received three bids and recommends awarding the contract to Tempe Power Equipment because Tempe Power Equipment offered the lowest bid for the product and warranty.

Jeff Kulaga, Town Manager / Clerk, stated that the Town's existing walker lawnmower is routinely in disrepair. The Gila River Indian Community awarded the Town \$60,000 in a revenue sharing grant towards the purchase of a walker lawnmower. Staff is recommending that the contract for the purchase of the walker lawnmower be awarded to Tempe Power Equipment.

Motion by Vice Mayor Vital to approve item G3; second by Councilmember Sánchez. Motion passed unanimously on a voice vote 6-0.

Councilmembers awarded a contract (C2022-22) to Tempe Power Equipment LLC for the purchase of a commercial grade 42" walker lawn mower for use by the Public Works Department in the amount of \$17,289.

4. AWARD OF CONTRACT – WOODCHIPPER

Mayor Molina stated that this item is for Council to consider awarding a contract to Vermeer Mountain West for the purchase of a commercial grade woodchipper for use by the Public Works Department in the amount of \$53,900.32. Funding for the woodchipper is through a shared revenue grant from Gila River Indian Community and the adopted Fiscal Year 2022 General Fund budget - Capital Outlay cost center. Staff sought quotes, auctions, and bids and recommends awarding the contract to Vermeer Mountain West because Vermeer Arizona Restaurant Supply, Inc., offered the most cost-effective quote for the equipment, warranty, and maintenance program.

Jeff Kulaga, Town Manager / Clerk, stated that staff is recommending that a contract for the purchase of a woodchipper be awarded to Vermeer Mountain West. Woodchippers range in price from \$28,000 (used) to \$65,000 (new). A portion of the funding for this equipment is from a revenue sharing grant from the Gila River Indian Community, with the remaining funding of \$31,000 coming from the General Fund. This equipment has a five-year warranty and a three-year maintenance plan.

Motion by Councilmember Bravo to approve item G4; second by Councilmember Sánchez. Motion passed unanimously on a voice vote 6-0.

Councilmembers awarded a contract (C2022-23) to Vermeer Mountain West for the purchase of a commercial grade woodchipper for use by the Public Works Department in the amount of \$53,900.32.

5. COUNCIL MEETING SCHEDULE, MAY – DECEMBER 2022

Mayor Molina stated that this item is for Council to review the Town Council Regular Meeting Schedule for the remainder of 2022, and may reschedule, cancel, or schedule additional meetings through December 2022. Staff recommends cancelling or rescheduling the Thursday, July 28, 2022, Regular Council Meeting due to construction of the Town Council Chambers and Town Hall Museum Room.

Jeff Kulaga, Town Manager / Clerk, stated that the renovation of Town Hall will be occurring in late June/July, which includes the Museum Room. If the Council were to cancel the July 28, 2022 Regular Council Meeting, it will allow time for needed construction in the Museum Room. It is not uncommon for Town/City Councils to cancel one meeting during the summer.

Motion by Vice Mayor Vital to approve item G5; second by Councilmember Osuna. Motion passed unanimously on a voice vote 6-0.

Councilmembers canceled the Thursday, July 28, 2022, Regular Council Meeting due to construction of the Town Council Chambers and Town Hall Museum Room.

6. CLAIMS

Mayor Molina stated that this item is for Council to consider approving the check register for April 2022, totaling \$635,166.76.

Motion by Vice Mayor Vital to approve item G6; second by Councilmember Osuna. Motion passed unanimously on a voice vote 6-0.

Councilmembers approved the check register for April 2022, totaling \$635,166.76.

• **MOHAVE EDUCATIONAL SERVICE CO-OP BID**

CONTRACT NUMBER: 19P-ACE-0318

SPECIAL NOTE:

The terms and conditions of Mohave Educational Services Co-Op Bid, Contract Number 19P-ACE-0318 will prevail over any and all terms and conditions stated in the proposal.

Prices are valid until June 30th, 2022.

- **In order to hold pricing, this proposal must be signed and returned within 15 days from the bid date specified above. Due to the pricing volatility of our industry at the moment, Sunland reserves the right to update pricing at any time prior to start of work.**
- Pricing excludes night/weekend work, permits, fees, notifications, protection of concrete after initial placement, colored concrete, decorative concrete, rebar, fibers, wire mesh, dowels, imbeds, footings, masonry, caulking, truncated domes, ABC beneath concrete, import, subgrade stabilization, QC testing, SWPP, utility adjustment hardware, gate loops, painting bumper blocks, permanent signage, herbicide, thermoplastic paint, water source in price unless noted above. Any pre-existing ADA compliance issues are excluded from contract unless specifically stated in proposal.
- Additional (downtime/mobilization) charges may result from delays beyond the control of Sunland Asphalt (or its subcontractors) which prohibit the above mentioned work from being completed as scheduled. (i.e., unmoved vehicles, disregard for Sunland traffic control, sanitation/delivery services, sprinkler runoff, etc.)
- The depth of the existing asphalt is only an estimate. Additional depth may require additional charges. The removal of the asphalt has been bid for that function alone and does not include excavation of the base or subbase. If at the time of the removal, it is determined that contamination of water has weakened either the base or the subbase, additional charges would be negotiated to correct the unforeseen problem. If upon the removal of the asphalt, it is found that structures exist below such as concrete footings, abandoned pipes, metal supports, etc., an additional charge would be negotiated to remove these obstructions if they would impede or prohibit grade consistencies. Sunland Asphalt will not be held liable for any underground cables, electrical lines, water lines or any other underground obstruction not locatable or not buried to a depth less than 18" below the existing finished grade.
- Proposal is based on plan sheets G1 - G5, D1, PP1 - PP2 (Dated 3/4/2022).

- **Sunland Asphalt Addendum Terms and Conditions:**

Contractor and Owner hereby accept the terms of the attached Proposal subject to = the terms and conditions set forth in this Addendum. The Proposal and Addendum shall be collectively referred to as the "Contract." This Addendum is attached hereto and incorporated herein by reference. If any of the terms of the Proposal are inconsistent with the terms of this Addendum, then this Addendum shall be controlling and the parties shall be bound by the terms and conditions of this Addendum.

- 1. **WORK**
Contractor will furnish all necessary labor, materials, and equipment to complete the work specified in the Contract (the "Work"). All surfaces to which material is to be applied shall be in a condition similar to the condition at the time the project was bid. Owner shall specify one representative to represent the Owner who has authority to accept the Work and authorize changes to the Work. Owner shall provide reasonable access to a water supply source. Owner grants Contractor permission to utilize photos and videos of the Work and the project site in the promotion of Contractor's business services.
- 2. **PAYMENT**
Contractor shall be paid a monthly progress payment within 15 days after receipt of the payment by the Owner for the value of work performed. Final payment, including all retention, shall be due 15 days after the work described in the Proposal is substantially completed. No provision of this agreement shall serve to void the Contractor's entitlement to payment for properly performed work.
- 3. **INTEREST AND EXPENSES**
All sums not paid when due shall bear an interest rate of 1 1/2% per month or the maximum legal rate permitted by law, whichever is less, and all costs of collection, including a reasonable attorneys' fee, shall be paid by Owner.
- 4. **ATTORNEYS' FEES**
In the event of litigation regarding the Contract or collection efforts by Contractor, the prevailing party shall be awarded its reasonable attorneys' fees and costs, which shall include all costs that would normally be passed through to the client, specifically but not limited to research charges, travel costs, expert witness costs, copying costs, mailing costs, facsimile costs, had-delivery costs, Federal Express or Express Mail costs, taxable costs and disbursements.
- 5. **CONTINUED PERFORMANCE**
Nothing in this Contract shall require the Contractor to continue performance if timely payments are not made to Contractor for suitably performed work.
- 6. **BACK CHARGES**
No back charges or claim of the Owner for services shall be valid except by an agreement in writing by the Contractor before the work is executed, except in the case of the Contractor's failure to meet any requirement of the Contract. In such event, the Owner shall notify the Contractor of such default, in writing, and allow the Contractor reasonable time to correct any deficiency before incurring any cost chargeable to the Contractor.
- 7. **WORK AREAS**
Owner is to prepare all work areas so as to be acceptable for Contractor to perform its work under the Contract. Owner shall notify Contractor in advance when the site will be ready for Contractor to perform its work and shall provide Contractor with free and unobstructed access so that the work can be commenced promptly and completed without delay. Contractor will not be called upon to start work until sufficient areas are ready to insure continued work.
- 8. **TIME FOR PERFORMANCE**
Contractor shall be given a reasonable time in which to commence and complete the performance of the Contract. Contractor provides no assurances as to a complete date since the Work is subject to weather conditions, prior commitments, mechanical failures, and other cause beyond Contractor's control. Contractor shall not be responsible for delays or default where occasioned by any causes of any kind and extent beyond its control, including but not limited to: delay caused by Owner, architect and/or engineers, delays in transportation, shortages of raw materials, civil disorders, labor difficulties, vendor allocations, fires, floods, accident hazardous waste or controlled substances and acts of God. Contractor shall be entitled to equitable adjustment in the contract price for additional costs due to unanticipated project delays or accelerations. Contractor shall not be obligated to provide any labor or materials outside the scope of work unless Owner shall first agree in writing to equitably adjust the contract price to be paid Contractor.
- 9. **WORKMANSHIP**
All workmanship and materials are guaranteed against defects for a period of one (1) year from the date of substantial completion of installation. This warranty is in lieu of all other warranties, express or implied, including any warranties of merchantability or fitness for a particular purpose. The exclusive remedy shall be that Contractor will replace or repair any part of its work which is found to be defective. Contractor shall not be responsible for special, incidental or consequential damages. Contractor shall not be responsible for damage to its work by other parties or for improper use of equipment by other industry standard practices and will override strict compliance and strict performance. Contractor makes no warranty regarding drainage where the slope provided or allowable is less than two percent (2%). Contractor's warranty does not extend to or cover settlement or cracking of asphalt or pavement due to expansive soils, improperly compacted utility trenches, or for failures caused by the inadequate compaction of the subgrade. Contractor shall not be liable for damage to underground utilities which were improperly installed and/or backfilled.
- 10. **WORK HOURS**
Work called for herein is to be performed during Contractor's regular working hours as agreed to by the Owner and the Contractor.
- 11. **NOTICE**
Any notice or written claim required by the Contract to be submitted to the Owner, on account of charges, extras, delays, acceleration, or otherwise, shall be furnished within a time period, and in a manner to permit the Owner to satisfy the requirements of the Contract, notwithstanding any shorter time period otherwise provided.
- 12. **LIEN RIGHTS**
Nothing in this Contract shall serve to void Contractor's right to file a lien or claim on its behalf in the event that any payment to Contractor is not timely made.
- 13. **LABOR**
Contractor shall not be bound by any of Owner's labor agreements (in whole or in part).
- 14. **LIQUIDATED DAMAGES**
The Owner shall make no demand for liquidated damages for delays in any sum in excess of such amounts as may be specifically named in this Contract and no liquidated damages may be assessed against Contractor for more than the amount paid by the Owner for unexcused delays to the event actually caused by the Contractor.

- 15. SCHEDULE
Contractor shall submit a schedule to Owner, Owner will review and notify Contractor of any schedule conflict. If Contractor finds it necessary to change his schedule, Owner will give his best effort to meet this change in schedule. Contractor shall not be penalized for non-performance and will be paid for work performed.
- 16. INSURANCE RESTRICTION
Notwithstanding any provision to the contrary, Contractor shall maintain the types and limitations on insurance as shown on the attached certificate of insurance. Contractor is not required to waive any claims or rights of subrogation against the Owner or any others for losses and claims covered or paid by Owner's workers compensation or general liability insurance. Acceptance of the Certificate of Insurance constitutes acceptance of the insurance of Contractor, including any additional insured requirements. In addition, Contractor shall not provide completed operations under an additional insured requirement.
- 17. INDEMNITY, HOLD HARMLESS
To the fullest extent permitted by law, Contractor agrees to protect, defend, indemnify, and hold harmless Owner from and against all liability, loss, claims, demands, damages, suits, costs, fees, fines, penalties, expenses, and causes of action to the extent caused by Contractor or any of Contractor's employees, agents, representatives, subcontractors, or suppliers. Any indemnification or hold harmless obligation of the Contractor shall extend only to claims resulting to bodily injury and property damage and then only to that part or proportion of any claim damage, loss or defect that results from the negligence or intentional act of Contractor or someone for whom it is responsible. Nothing in this agreement shall require the Contractor to indemnify any other party from any damages including expenses and attorneys' fees to persons or property for any amount exceeding the degree Contractor directly caused such damages. Contractor shall not be responsible for fines or assessments made against Owner and Contractor. Contractor retains all rights of subrogation. Contractor will not indemnify anybody for any actions except for Contractor's own negligence and only in the proportional amount of its negligence.
- 18. RIGHT TO RELY
Contractor shall rely on plans, drawings, specifications and other information provided by Owner, Owner, Architect or representatives of each. Contractor assumes no risk for unknown or unforeseen conditions not evident from the plans, drawings, specifications or other information provided to Contractor.
- 19. HAZARDOUS WASTE
Contractor shall have no obligation to handle (that is, to remove, treat or transport) any substance which is considered hazardous waste or substance under state or federal law ("hazardous waste"). Handling hazardous waste shall be outside the scope of work of this Contract. Title to all hazardous waste shall remain with others and shall not be property of Contractor.
- 20. SOILS
Contractor shall have no liability to Owner or any third-party relating to underlying soil conditions. Contractor will not sacrifice the quality or integrity by placing asphalt pavement on base course or subgrade that is unstable or subgrade containing frost, including top lifts or overlays when temperatures do not meet material specifications. Contractor's warranty shall be waived and have no effect should Owner direct or authorize Contractor to pave on unstable subgrade or subgrade containing frost and Owner shall be responsible for any and all resulting damage or required repairs. If Owner requests that the top lift of asphalt be placed at a later date, the cost for all clean up and remobilization is the Owner's responsibility.
- 21. ENGINEERING SERVICES
If Contractor provides subcontracted construction stakes and/or subcontracted engineering services, Owner agrees to indemnify and defend Contractor from and against any and all claims, demands, damages, costs or expenses, including attorneys' fees, resulting from or related to these services, including drainage of water as to direction and amount, both during and after performance of the Work. If a soil sterilizer or herbicide is applied by Contractor, it is applied at the request of Owner in an effort to retard weed growth and Contractor makes no representation or guarantee that its use will have the intended effect. Owner shall indemnify, hold harmless, and defend Contractor from and against any and all damages, claims, costs or expenses, including attorneys' fees and costs, resulting from these services. Owner is advised to retain an independent licensed soils engineer for a study of the existing soils in order to recommend a specific pavement design. Contractor may modify the Proposal to include such recommendations.
- 22. AMERICANS WITH DISABILITIES AC
Owner is solely responsible for maintaining the subject property in full compliance with the ADA and agrees to indemnify and hold Contractor harmless from and against any and all liability, claims, damages or expenses, including attorneys' fees, relating in any way to ADA requirements or issues. Contractor recommends that Owner obtain the services of a certified ADA consultant for site evaluations and recommendations as required by Federal and State law. If directed by the Owner to obtain compliance, Owner may make recommendations for such work and additional charges may apply.
- 23. DISPUTE RESOLUTION
Final determination of contract compliance and all dispute resolutions shall be handled in the jurisdiction and venue of Maricopa County, Arizona, and be governed by the laws of Arizona.

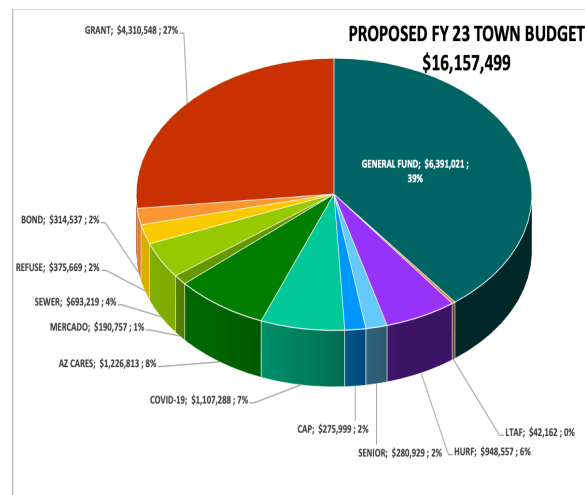

Town Manager's Budget Message

May 20, 2022

To The Honorable Mayor and Town Council:

It is my privilege to present the proposed fiscal year (FY) 2022-2023 (FY 23) annual budget for the Town of Guadalupe. This budget continues the commitment of the Town Council and Town staff to deliver quality services to our citizens and business community in an efficient and fiscally responsible manner utilizing our limited resources, leveraging opportunities, all while remaining cognizant of our fund balances and reserves.

The proposed total FY 23 budget is \$16,157,499 as illustrated in the chart below. The proposed budget is a 23.3 % decrease compared to the FY 22 budget of \$21,067,259. This budget is comprised of the General Fund and 11 Special Revenue Funds, including two COVID-19 relief temporary funds. The largest fund in FY 23 is the General Fund totaling \$6,391,021, followed by the Grant Fund accounting for 39% and 27% of the FY 23 total budget respectively.

The overall FY 23 budget decrease of 23.3% is primarily due to a \$7,407,117 or a 63.2% decrease in the grant fund. While the grant fund budget significantly decreased as a result of fewer grant opportunities, the General Fund increased by \$456,779 (7.7%) due to an increase in operational costs and capital projects costs of \$346,848. The Highway User Revenue Fund (HURF) increased by \$148,057 (18.5%) primarily due to fund Calle Vaou Nawi sidewalk project, Calle Carlos neighborhood streetlighting project, and the Avenida del Yaqui street rehabilitation project. The Community Action Program budget increased by \$145,602 (111.7%) primarily due to increased salary and wage costs. The FY 23 budget includes \$1,226,813 in Arizona Cares COVID-19 Relief funds and \$1,107,288 in COVID-19 Relief Funds as a rollover from FY 22 that was received from the Pascua Yaqui Tribe. Both COVID-19 funds received in FY 22 provide continued funds for needed assistance and programs related to COVID-19 recovery. It is unlikely any future COVID-19 funds will be available.

During the development of this budget, Town staff have reviewed previous year expenses and revenues, assessed capital improvement and equipment replacement needs, considered COVID-19 budgetary impacts, and sought ways to reduce departmental expenditures while not compromising Town service levels. The proposed FY 23 General Fund budget will maintain FY 22 levels of service and fund needed

capital improvements, equipment replacement, and facility/equipment repairs. However, Town expenses to maintain the existing service levels are increasing and this will require the use of General Fund reserves to balance the FY 23 budget. Like previous years, the proposed FY 23 General Fund expenses exceed proposed FY 23 General Fund revenues. Additionally, aging infrastructure and municipal facility repairs and equipment replacements have been delayed due to past budgetary limitations and can no longer be ignored. The FY 23 budget begins to address capital replacement needs. Overall, the General Fund expenditures increased by \$456,779 or 7.7% over FY 22.

Regarding the General Fund balance, the Town had a General Fund balance of \$3,984,372 at the end of FY 21. Based on revenue and expenditure estimates and transfers to other funds, the FY 22 year-end General Fund balance is projected to increase to \$5.1M. This is the result of a FY 22 revenues exceeding expenditures by \$1.1M. The table below illustrates the General Fund performance since FY 18:

This FY23 budget report includes the following attachments:

- The Executive Summary providing a FY 23 budget briefing and five-year forecast of all funds;
- The FY 23 line-item budget presenting actual Town budget revenues, expenses, and fund balances from FY 2019 through FY 2021; projected FY 2022 revenues, expenses, and fund balances for FY 2022; proposed FY 2023 revenues, expenses, and fund balances; and, forecasted revenues, expenses, and fund balances from FY 24 through FY 27;
- The Town Council proposed FY 23 annual budget presentation for the April 28, 2022, Council meeting, and;
- The Town Council Tentative FY Annual Budget presentation for the May 26, 2022, Council meeting.

I would like to take this opportunity to thank the Mayor and Town Council for their guidance and support throughout the development of the proposed budget. With the Town Council's leadership and Town's staff's analysis, staff was able to propose a balanced budget for FY 23. The FY 23 budget builds on the FY 22 budget where capital improvement projects were funded, and long-term financial stability was addressed by increasing the General Fund balance to an estimated \$5.1M.

Lastly, it is important to recognize the Town employees for the remarkable job they do every day in delivering services to Guadalupe residents, given our limited funds and resources.

Sincerely,

Jeff Kulaga, Town Manager/Clerk

FY 2023 Executive Budget Summary

Preparation of the FY 2023 Budget

The preparation of the FY 23 budget involved careful consideration of COVID-19 recovery and relief funds, the ability to provide municipal services and programs given limited revenues, and the development of a five-year budget forecast. Over the past few months, every revenue source and expenditure line item in the budget was reviewed by examining the current FY 22 approved budget, the FY 20 and FY 21 expenditures, the year-to-date revenues, expenditures through April 2022, and the projected revenue and expenditures for the remaining FY 22 three months. The FY 23 proposed line-item budget amount increases, or decreases were established based on this review.

The total FY 23 All Expenses / All Funds table below summarizes annual expenditures and provides a comparison of the proposed FY 23 budget to the adopted FY 23 budget:

The FY 23 budget totals \$16,157,499 through 12 individual funds, with the General Fund totaling \$6,391,023. Overall, the FY 23 budget is a 23.3% decrease compared to the \$21,067,258 adopted FY 22 budget.

A 3% wage increase is proposed in this budget for all full time and part time Town employees beginning on July 1, 2022. This equates to a new expenditure of \$33,000. This is only the second wage increase since 2017, where employees received a 5% increase effective January 1, 2022, as part of the FY22 adopted budget.

Summaries of the Town of Guadalupe FY 23 annual budget 12 funds and related five-year forecasts are as follows:

FUND OVERVIEW

GENERAL FUND

GENERAL FUND REVENUES

The FY 23 General Fund revenues are projected to be \$4,853,167. To meet projected FY 23 General Fund expenditures of \$6,391,021; \$847,027 in carry forward fund balance from FY 22 will be used in FY 23 to balance the budget. This is not an optimal budget proposal, where funds balance monies are used when expenditures exceed revenues. However, the General Fund balance will grow to an estimated \$5.1M by June 2022, an increase of nearly \$4.0M since FY 2018. Consequently, the fund balance has capacity to close the \$847,027 revenue shortfall. Overall, recurring use of fund balance monies to balance the annual budget is not a sustainable fiscal approach.

The primary revenue categories in the General Fund are local taxes, including sales taxes for retail, restaurant, construction, and hotel bed taxes. State shared revenues earned by cities and towns are based on Census population data. State shared revenues include shared sales tax, urban revenue sharing (income tax), and vehicle in-lieu tax all of which contribute to General Fund revenues.

As Chart A illustrates, local sales tax accounts for 54% of the Town’s General Fund revenues of \$3,001,500. Three state shared revenues sources account for a collective 28% of the FY 23 projected revenues; State Sales Tax, \$727,200 (11%); Vehicle-in-lieu tax, \$307,212 (5%); and urban revenue sharing \$736,997 (12%).

As presented on the FY 23 General Fund Revenues table, FY 23 local sales tax revenues have increased by 42.0% compared to FY 22, building permits have increased by 34.6%, and restaurant sales tax has increased by 24.9%. These three revenue sources indicate positive local economic recovery from the pandemic. Conversely, due to the 2020 Census count, where the Town of Guadalupe’s population decreased in relation to the State’s total population, state shared revenues are forecasted to decrease by 18% compared to FY 22. Additionally, transient occupancy tax (hotel bed tax) is forecasted at \$0.0 in FY 23. It is expected that the remaining hotel in Guadalupe will close and be converted to apartments.

GENERAL FUND EXPENDITURES

The total General Fund expenditures total \$6,391,021 which is an 7.7% increase over the FY 22 General Fund adopted budget.

The General Fund funds most Town services and programs, provided by 18 full time employees and 14 part time employees, not including the 25 reserve firefighters. Chart B illustrates FY 22 General Fund expenditures by Town department/cost center, where police and fire services account for 54% of the total General Fund budget and the accompanying table summarizes General Fund cost centers.

The major additions/deletions to expenditures in the General Fund in the FY 23 budget compared to the FY 22 budget are as follows:

Overall: A 3% wage increase to all full time, part time, and reserve employees beginning July 1, 2022, representing an increase of \$33,000 to the General Fund.

- **Mayor & Council** – No changes, budget remains at \$65,074; 1% of total FY 23 General Fund budget.
- **Municipal Courts** – In FY 21 Town of Guadalupe court services were contracted with the Cities of Goodyear and Tempe for three-year terms respectively. As a result, Court operation expenses were eliminated from the General Fund.
- **Town Manager** – Increase of \$97,233 primarily due to reallocating 15% of the Town Manager annual salary from the Sewer Fund to the General Fund. This reallocation represents the amount of time spent by the Town Manager on duties within each fund.
- **Administration** – Decrease of \$48,212 primarily lesser liability insurance and jail fee expenses.
- **Transfer to Other Funds** – Increase of \$494,016 primarily due to transferring funds to HURF and the Community Action Program (CAP). HURF transfers fund the Calle Carlos neighborhood streetlighting and Calle Vaou Nawi sidewalk projects and any Avenida del Yaqui street renovation project needs to complete the projects that are not eligible for Federal funding. CAP transfers fund an increase in personnel costs as result of reorganizing the CAP services in FY 22.
- **Finance** – Increase of \$17,539 (11.7%) primarily due to increased group health insurance and a reallocation of salary wage costs.
- **Town Attorney** – Increase of \$37,046 (49.7%) due to an anticipated increase in billable hours to address the Towns' legal needs.
- **Town Clerk** – Increase of \$8,810 (21.2%) due to August and November 2022 election costs and \$5,000 annually for social media archiving of Town website and social media as required by State Statute.
- **Community Development** – Decrease of \$21,391 (9.0%) due to adjusting Code Enforcement Officer contract.
- **Information Technology** – Increase of \$17,274 (14.3%) primarily due to software and computer security, support, and services cost increases.

- **Building Safety** – The building safety cost center is eliminated as the Building Inspector costs are included in the Community Development cost center.
- **Building Maintenance** – Decrease of \$53,431 (31.5%) due to the one-time demolition cost of the Gaud Building in FY 22.
- **Police Department** – Increase of \$45,421 (3.0%) due annual MCSO contractual services cost increases. The total FY 23 MCSO contract totals \$2,172,085.68. Of this total amount, \$1,540,377 (70%) is budgeted to the General Fund and \$631,809 (30%) is budgeted to the AZ Cares COVID-19 Relief fund. It is anticipated that FY 23 marks the final year of COVID-19 related funding. Consequently, 100% of the MCSO annual contract will be budgeted to the General Funds in future years.
- **Fire Department** – Increase of \$126,677 primarily due to absorbing 100% of salaries of SAFER grant funded firefighters. The SAFER grant funding expired at the end of FY 22.
- **Cemetery** – Decrease of \$4,007 (16.4%) primarily due a reduction in building material costs, as a \$35,000 cemetery renovation project is included in the capital outlay cost center.
- **Parks** – Increase of \$10,699 (5.7%) primarily due to building material cost increases to repair Biehn Park restrooms because of vandalism.
- **Library** – Increase of \$13,035 (129.1%) for the one-time cost of painting the library interior.
- **Capital Outlay** – Decrease of \$283,152 (4.0%) receiving a \$501,000 Federal grant to fund the construction costs of the Highline Canal Lighting Replacement Project. FY 23 Capital Outlay projects include: \$145,000 Town Hall Roof replacement; \$35,000 Cemetery gate, walls, ramada repair and flagpole installation; \$86,848 Highline Canal project design costs; \$30,000 Public Works replacement flatbed truck; and \$50,000 for land purchases.

GENERAL FUND FIVE YEAR FORECAST

The Town had a General Fund balance of \$3,984,372 at the end of FY 21. Based on revenue and expenditure estimates and transfers out to other funds, the FY 22 year-end General Fund balance is projected to increase to \$5.1M. This is the result of a FY 22 revenues exceeding expenditures by \$1.1M. The table illustrates the General Fund performance since FY 18:

The FY 23 budget projects expenditures exceeding revenues by \$847,027 and this begins a five-year trend of expenditures exceeding revenues, as illustrated by the following chart:

The five-year forecasts yields the same underlying budget message as previous years:

- Annual Town expenditures are forecasted to exceed revenues received.
- Continued use of fund reserves and fund balances to balance annual budgets is not financially sustainable.
- Use of fund balances does not establish a sustainable fiscal future where current levels of Town services can be maintained.
- Five Town departments rely on General Fund revenues through budget transfers: HURF, LTAF, Senior Center, and the Community Action Program (CAP) which, like General Fund departments, may be impacted by revenue shortfalls.
- Economic investment with sustainable recurring revenue streams are needed.
- Should continued use of year-end fund balance monies be used to balance annual budgets, the five-year forecast projects a General Fund balance deficit in FY 27.

The following chart illustrates the projected five-year General Fund year-end balance.

HIGHWAY USER REVENUE FUND (HURF)

HURF REVENUES

HURF projected revenues of \$948,558 for FY 23 result from two key sources: HURF funds through a state shared revenue distribution based on Census populations and the transfers from the General Fund. HURF shared revenue funds for FY 23 are \$395,751. This is an 18% reduction compared to the FY 22 amount of \$441,112 and is a direct result of Guadalupe's 2020 Census population decrease as compared to the rest of the State. Like the General Fund, HURF expenditures exceed HURF shared revenues. To balance the HURF FY 23 budget, \$547,628 will be transferred from the General Fund to HURF. Annually, the General Fund subsidizes the HURF fund.

HURF EXPENDITURES

The proposed FY HURF expenses are \$948,558, an increase of 18,5% over FY 22. This is primarily to fund the \$55,000 Calle Carlos neighborhood streetlighting project, \$130,000 Calle Vaou Nawi sidewalk project, and \$250,000 budgeted for any Avenida del Yaqui Street renovation project funding needed to complete the projects that are not eligible for Federal funding.

HURF FIVE YEAR FORECAST

HURF is one of four funds, HURF, LTAF, Senior Center and CAP, that rely on annual General Fund transfers. The HURF relies on a General Fund transfer to balance the HURF budget, because HURF expenditures exceed revenues. HURF expenditures are forecasted to exceed revenues primarily due to budgeting two future year capital projects: Repaving of Guadalupe Road from Town limit to Town limit at an estimated cost of \$1.3M in fiscal years FY 24 and FY 25 and streetlight replacement estimated at \$700,000 in FY 26 and FY 27. As a result, these annual transfers contributed to the General Fund annual deficit and the HURF year-end balance, which remains at \$0.0. The five-year forecast projects the expenditure exceeding revenue trend will continue resulting in a \$0.0 fund balance as illustrated in the following tables:

LOCAL TRANSPORTATION ASSISTANCE FUND (LTAF)

LTAF REVENUES

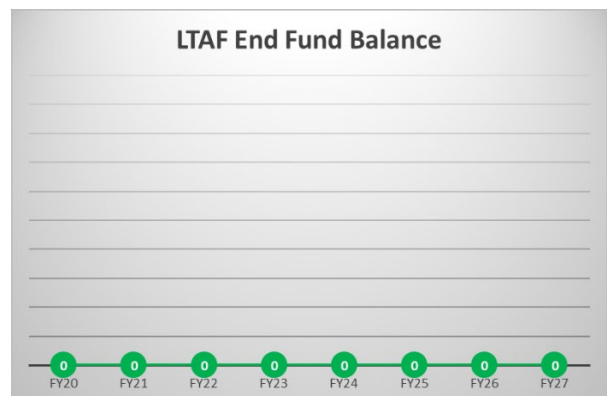

LTAF projected revenues of \$42,162 for FY 23 result from two key sources: HB 2565 Transit funds of \$13,445 and a transfer from the General Fund of \$28,717. The Transit Fund is a state shared revenue subject to Census population changes. The \$13,445 Transit Fund amount represents a 19.6% decrease from previous years of \$16,740. This is the result of the Census population changes. This decrease requires an increased transfer from the General Fund of \$28,717 to balance the LTAF budget.

LTAF EXPENDITURES

The LTAF expenditure of \$42,162 is \$4,651 (12.4%) greater than FY 22 primarily due to increased salary and wage costs.

LTAF FIVE YEAR FORECAST

Like HURF, the LTAF annually relies on a General Fund transfer to balance the LTAF budget, because LTAF expenditures exceed revenues. As a result, these annual transfers contribute to the General Fund annual deficit and the LTAF year-end balance remains at \$0.0. The five-year forecast projects the expenditures exceeding revenues trend will continue resulting in a \$0.0 fund balance as illustrated in the following tables:

SENIOR CENTER FUND

SENIOR CENTER REVENUES

Senior Center projected revenues of \$280,929 for FY 23 results from two key sources: an Area Agency on Aging grant of \$138,872 and a transfer from the General Fund of \$132,943. The Area Agency on Aging grant has remained consistent for the past four years. The transfer from the General Fund for FY 23 increased by 17% from \$108,911 in FY 22 to \$132,942 to balance the Senior Center budget. It is projected that Area Agency on Aging contributions will remain constant at an estimated \$138,000 for the next five years.

SENIOR CENTER EXPENDITURES

The Senior Center expenditure of \$280,929 is an increase of 10.3% over FY 22 primarily due increased group health insurance costs in congregate meal, home meal delivery, Senior Center operations, and food costs.

SENIOR CENTER FIVE YEAR FORECAST

Like HURF and LTAF, the Senior Center annually relies on a General Fund transfer to balance its budget, because Senior Center expenditures exceed revenues. It is projected that Senior Center operational costs will increase during the next five years, while revenues from the Area Agency on Aging will remain constant, this will increase the dependence on General Fund transfer revenues. As a result, these annual transfers contribute to the General Fund annual deficit and the Senior Center year-end balance remains at \$0.0. The five-year forecast projects the expenditures exceeding revenues trend will continue resulting in a \$0.0 fund balance as illustrated in the following tables:

COMMUNITY ACTION PROGRAM FUND

COMMUNITY ACTION PROGRAM (CAP) REVENUES

Community Action Program, CAP, projected revenues of \$275,999 for FY 23 results from two primary sources: Maricopa County Assistance funds of \$107,154 and a transfer from the General Fund of \$163,745. Like HURF, LTAF, and the Senior Center, a transfer from the General Fund is required to subsidize CAP expenses and balance the CAP budget. The FY 23 General Fund transfer of \$163,754 is an increase of \$141,833 from the FY 22 \$21,912 transfer.

CAP EXPENDITURES

The CAP expenditure of \$275,999 is a 111.7% increase from FY 22 of \$145,602. This increase is the result of restructuring the CAP office and its staff positions by retaining two full-time coordinator positions and a full-time Director at competitive wages and benefits.

CAP FIVE YEAR FORECAST

The CAP also relies on a General Fund transfers. It is projected that CAP operational costs will increase during the next five years, while revenues from Maricopa County will remain constant, which will increase the dependence on General Fund transfer revenues. As a result, these annual transfers contributed to the General Fund annual deficit and the CAP year-end balance remains at \$0.0. The five-year forecast projects the expenditures exceeding revenues trend will continue resulting in a \$0.0 fund balance as illustrated in the following tables:

AMERICAN RESCUE PLAN ACT of 2021 (ARPA) COVID-19 RELIEF FUND – PASCUA YAQUI TRIBE

ARPA – PYT REVENUES

In FY-22, the Pascua Yaqui Tribe (PYT) awarded the Town \$3,074,500 of ARPA federal funds to assist the Town in recovery from the economic and health effects of the COVID-19 pandemic. In FY 22, \$1.98M was expended in response to COVID-19 recovery through assistance programs and services and capital improvements. The remaining \$1.1M of the \$3.0M will rollover to FY 23 to provide further COVID-19 related recovery. Beyond FY-23, no future COVID-19 related recovery funds are expected, consequently a five-year forecast is not provided.

ARPA – PYT EXPENDITURES

The remaining \$1,107,288 will fund homelessness outreach services, a home rehabilitation assistance program, Promotora neighborhood services, firefighter life safety equipment, restroom facility renovations, and Council Chamber renovations.

AMERICAN RESCUE PLAN ACT of 2021 (ARPA) AZ CARES COVID-19 RELIEF FUND

ARPA - AZ CARES REVENUES

In FY 22, the Town received a two year ARPA federal fund allocation of \$1,107,311 per year through the State of Arizona to assist the Town in recovery from the economic and health effects of the COVID-19 pandemic. In FY 22, \$987,809 was expended in response through assistance programs and services and capital improvements. The remaining \$119,502 will rollover to FY 23 and along with the second-year allocation of \$1,107,311 will total \$1,226,813 to provide COVID-19 related recovery. Like the PYT COVID-19 Relief funds, no future COVID-19 related recovery funds are expected beyond FY 23.

ARPA - AZ CARES EXPENDITURES

For FY 23, the \$1,226,813 will fund utility assistance for eligible Guadalupe families, business assistance for Guadalupe businesses, dispatch costs for fire services, 30% of the annual MCSO police contract, and employee hazard pay.

MERCADO FUND

MERCADO REVENUES

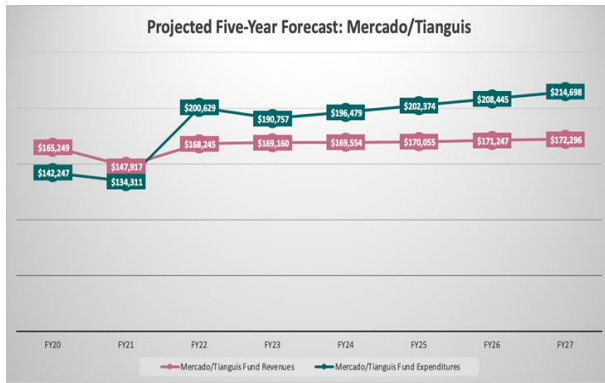

Mercado FY 23 projected revenues of \$169,160 is 9.5% greater than the adopted FY 22 \$154,399. The primary source of annual revenues are tenant rents and utility fees. For FY 23, patio rental revenues are expected to increase since the suspension of Mercado events has been lifted.

MERCADO EXPENDITURES

The Mercado expenditure of \$190,757 is an increase of \$7,909 or 4.1% compared FY 22. Key Mercado recurring expenses include: \$47,614 for electricity, \$30,497 for building repairs, \$10,000 for contractual services, 9,789 for water and sewer, and \$5,284 for waste disposal. Annual recurring utility costs of electricity, water, sewer service, and waste disposal account for 33% of the annual expenditures. Additionally, the Mercado, which was built in 1982, needs roof, electrical, plumbing, and HVAC repairs.

MERCADO FIVE YEAR FORECAST

The FY 23 Mercado annual budget projects expenditures exceeding revenues by \$21,597 requiring the use of Mercado fund balance monies. As forecasted, Mercado expenditures exceed revenues by an estimated \$25,000 annually. Should this result, the Mercado fund balance is projected at \$17,645 at the end of FY 23 and a deficit of \$9,281 at the end of FY 24. This would require a policy decision by Town Council of using General Fund monies to subsidize the Mercado fund resulting in a projected fund deficit in 2024. The five-year forecast projections illustrating a budget deficit in FY24 is as follows:

SEWER FUND

SEWER REVENUES

FY 23 sewer fund projected revenues of \$693,219 results from three key sources: user fees of \$82,944, prior year earnings balance of \$59,575 and a \$550,275 CDBG grant through Maricopa County for repair and replacement the system. This \$550,575 grant follows a FY 21 grant for the same repair purpose. These grants have inflated the Sewer Fund by 75% compared to years where CDBG funds were not granted. Notably, the \$82,944 user fee revenue is generated monthly from \$6.00 fees from residents and businesses. This monthly fee has remained consistent for more than 10 years.

SEWER EXPENDITURES

The FY 23 Sewer Fund expenditure of \$693,219 includes a \$550,575 repair project. Importantly, the Sewer Fund annually relies on use of its fund balance to balance this fund budget. The annual operating expenditures exceeds the annual revenues. Annual operations, maintenance, and administration of the sewer system costs exceeds annual revenues. Beyond the grant project, the FY 23 budget includes \$18,713 for incidental unexpected, as needed repairs.

SEWER FUND FIVE YEAR FORECAST

The five-year Sewer Fund forecast projects expenditures exceeding revenues annually, requiring use of a forecasted \$15,000 fund balance annually to balance the budget. As a result, the Sewer Fund balance will decrease from \$676,628 to \$600,493 over the next five years. Continued use of the fund balance is not a sound or sustainable fiscal practice. The \$6.00 per month utility customer sewer fee which generates \$82,920 annually must be reviewed. The two charts illustrate the projected Sewer Fund five-year forecast and fund balance:

SOLID WASTE FUND

SOLID WASTE REVENUES

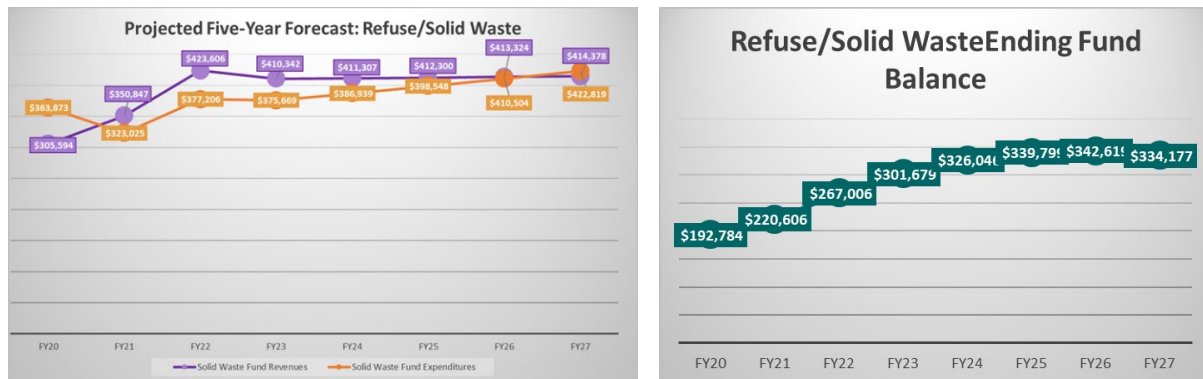

The Solid Waste Fund projected revenues of \$410,342 for FY 23 result from two key sources: user fees of \$378,194 and contract revenue sharing of \$29,938.

SOLID WASTE EXPENDITURES

The Solid Waste Fund FY 22 expenditure is \$375,699 which funds the residential and bulk refuse collection by the contracted service providers.

SOLID WASTE FIVE YEAR FORECAST

The Town Council approved 15% fee increase effective July 1, 2021, which has stabilized the solid waste fund until FY 27 with revenues forecasted to exceed revenues. This action stabilizes the fund at \$325,000 annually. The two charts illustrate the projected Sewer Fund five-year forecast and fund balance:

MUNICIPAL PROPERTY CORPORATION FUND (BOND)

MUNICIPAL PROPERTY CORPORATION (MPC) REVENUES

The MPC does not realize revenues. A transfer from the General Fund is used annually to fund MPC expenses.

MPC EXPENDITURES

The MPC expenditure of \$314,537 is a combination of the bond principal and interest. Importantly, FY 23 marks the last year for the bond payment of \$314,537.

MPC FIVE YEAR FORECAST

FY 23 is the last MPC bond payment of a \$2.28M bond issued in 2000 that funded the construction of Town Hall, purchase of the Lomita property, and installation of streetlights throughout Town. With the bond paid in full, a five-year forecast is not needed.

GRANT FUND

GRANT REVENUES

For FY 23, grant requests to five Native American entities for revenue sharing grants (gaming grants) and two federal requests totaling \$2,713,824 were submitted to respective agencies in hopes of award. An additional, \$1,498,782 of grant capacity has been budgeted should other grant opportunities become available. Grant revenues are based on award of grants. Grant applications for the individual grant requests for specific Town needs listed have been submitted to respective agencies but have not yet been awarded.

GRANT EXPENDITURES

All grant expenditures align with grant revenues. Grants are awarded for specific purposes, approved by Council, and must be used accordingly. If awarded, grants are used for specific purposes as requested.

Following this Executive Summary are:

- The FY 23 line-item budget presenting actual Town budget revenues, expenses, and fund balances from FY 19 through FY 21; projected FY 22 revenues, expenses, and fund balances for FY 22; proposed FY 23 revenues, expenses, and fund balances and forecasted revenues, and expenses and fund balances from FY 24 through FY 27;
- The Town Council proposed FY 23 annual budget presentation for the April 28, 2022, Council meeting, and;
- The Town Council tentative FY annual budget presentation for May 26, 2022, Council meetings.

FY2022-2023 General Fund Five-Year Forecast

Observations:

- The five-year forecasts yield the same underlying budget message as previous years:
- Annual Town expenditures are forecasted to exceed revenues received.
- Continued use of fund reserves and fund balances to balance annual budgets is not financially sustainable.
- Use of fund balances does not establish a sustainable fiscal future where current levels of Town services can be maintained.
- Economic investment where sustainable, recurring revenue streams are realized are needed.

FY2022-2023 HURF Five-Year Forecast

Observations:

- Projected annual shortfalls of \$700,000 to \$400,000 is the result of including transportation related capital projects in HURF:
- FY23: Avenida del Yaqui: \$250,000; Calle Vauo Nawi Sidewalk \$130,000; Calle Carlos Neighborhood Street Lighting \$55,000; totals \$435,000
- FY24: Guadalupe Road resurfacing: \$650,000
- FY25: Guadalupe Road resurfacing: \$600,000
- FY26: Town Street Lighting: \$350,000
- FY27: Town Street Lighting: \$350,000
- Upkeep and repair of Town facilities requires investment (dollars).

FY2022-2023 LTAF Five-Year Forecast

Observations:

- Comparatively, LTAF is a small percentage of the total annual budget – less than 1.0% at a forecasted \$43,427 annually.
- Primary expenditure is personnel costs for driver, followed by fuel and vehicle maintenance costs.
- Fuel costs expected to increase due to price per gallon and more miles driven post COVID19 restrictions.
- As costs rise and LTAF funds decrease due to 2020 Census population counts, the reliance on General Fund transfers increase.

FY2022-2023 Senior Center Five-Year Forecast

Observations:

- Senior Center FY23 forecasted expenditure of \$280,345 is 10.3% greater than FY22 projected expenditures.
- Primarily due to food cost increases, and group health insurance costs.
- The primary revenue source is a grant from the Area Agency on Aging projected at \$147,986 for FY23.
- This results in a FY23 General Fund transfer of \$132,943 to balance the Senior Center budget.
- The five-year forecast projects continued expenditure increases while revenues remain stagnant, resulting in greater General Fund reliance.

FY2022-2023 Community Action Program Five-Year Forecast

Observations:

- Community Action Program FY 23 forecasted expenditure of \$275,999 is 111.7% greater than FY22 projected expenditures.
- This significant increase is due to reorganizing and restructuring CAP staff, duties and partnerships with United Food Bank and Maricopa County.
- The primary revenue source is a grant from the Maricopa County projected at \$107,254 for FY23.
- This results in a FY23 General Fund transfer of \$163,745 to balance the Senior Center budget. Similarly, a significant increase from FY22.
- Further analysis is required examine the CAP budget and partnerships.

FY2022-2023

Municipal Property Corporation Bond Five-Year Forecast

Observations:

- FY23 payment of \$314,537 is the last bond payment of the 20-year term.
- Funded Town Hall, Lomita and streetlights.
- This results in a direct savings to the General Fund

Proposed Tentative General Fund Revenues & Expenditures

Estimated FY22/23 Revenue:

- \$5.54M General Fund
- \$690,826 projected increase overall
- Due to 901,586 Local Sales Tax
- And Bed Tax, State Shared Revenue decreases

Difficult Assumptions:

- 18% reductions in State Shared Revenue: Urban Revenue Sharing, State Sales Tax, VLT, HURF
- Loss of hotel revenues

Estimated Expenses:

- \$6.39M General Fund
- \$456,777 expenditure increase from prior year
- \$847,027 (13%) deficit spending-use of General Fund Balance
- Reduces General Fund Balance

Assessment:

- Not an optimal budget
- Not fiscally sustainable over time
- Does not fully respond to town needs
- A familiar condition

Proposed Tentative General Fund Expenditures

- Proposed 3% wage increase for all employees effective July 1, 2022
 - Total Cost: \$35,000
 - Wages lags behind industry comparable
- \$45K MCSO contract increase

FY2022-2023 General Fund Five-Year Forecast

Observations:

- The five-year forecasts yield the same underlying budget message as previous years:
- Annual Town expenditures are forecasted to exceed revenues received.
- Continued use of fund reserves and fund balances to balance annual budgets is not financially sustainable.
- Use of fund balances does not establish a sustainable fiscal future where current levels of Town services can be maintained.
- Economic investment where sustainable, recurring revenue streams are realized are needed.

FY2022-2023 General Fund Five-Year Forecast

Sobering Outlook:

- Should this forecast occur, an estimated \$1.5M of General Fund balance would be required to balance the annual budgets over the next four years. This projection results in a General Fund deficit in FY27.
- An expenditure reduction of \$1.5M equates to approximately 23% of the total General Fund budget. This suggests 23% of service, program, and project expenditures would be eliminated from the General Fund.

FY2022-2023 Solid Waste / Refuse Five-Year Forecast

Observations:

- Stable fund.
- The five-year forecast projects revenues exceeding expenditures through FY2027.
- This indicates the 15% fee increase has stabilized this fund.
- This results in maintaining a consistent fund balance of \$330,000 through FY2027.

FY2022-2023

Sewer/ Wastewater Five-Year Forecast

Observations:

- The FY23 Sewer annual budget projects expenditures exceeding revenues by \$59,575.
- The primarily reason for this short fall is nuisance repairs and associated design and anticipated engineering costs related to system repairs, not grant fund eligible.
- The CDBG \$550,275 grant for system repairs is budgeted.
- The five-year forecast projects approximately \$20,000 annually for nuisance repairs.
- The five –year forecast projects an annual deficit of \$25,000. The annual revenue amount of \$83,500 has remained constant for years.
- The revenue source for the sewer fund is the \$6.00 monthly fee for sewer utility accounts paid by Town residents and businesses. This amount has been consistent for years.
- Consideration of increasing the monthly \$6.00 fee would require a policy decision by Town Council.

FY2022-2023

Mercado Five-Year Forecast

Observations:

- The FY2023 Mercado annual budget projects expenditures exceeding revenues by \$21,597 requiring the use fund balance.
- Should this result, the Mercado fund balance is projected at \$17,645 at the end of FY2023. This would require a policy decision by Town Council of using General Fund monies to subsidize the Mercado fund resulting in a projected fund deficit in 2024.
- The Mercado five year forecast only includes \$31,000 annually for building repairs. Presently, the Mercado, built in 1982, needs roof, electrical, plumbing and HVAC repairs.
- The five-year forecast projects an approximate annual deficit of \$30,000 for the Mercado.
- The future of the Mercado becomes a second policy question for Town Council.
